

Start Machines with an App

Download the LaundryCat App

Scan to download

How it works

1. Scan QR code to download "LaundryCat" app from store
2. Create your account on the app
3. Add funds to your account
4. Head over to the machine youd like to use and bring your phone up to hold near the reader to pay for the cycle
5. You may need to follow the prompt on the machine to start the cycle

iPhone users

Bring the **TOP** of the phone near the reader

iPhone 7 or later is required

Android users

Bring the **MIDDLE** of the phone near the reader
