How to Use Our Payment System

Our payment system uses a reusable and reloadable laundry card to start all washers and dryers. No coins are needed.

STEP 1

Get a Laundry Card

(Skip this step if you already have a card)

1. Locate the Value Add Center kiosk
2. Press **New Card** button on the kiosk
3. **Add Value**

- Press the **Value** button until your desired purchase amount is reached
- Press the **Enter** button to confirm that value, then complete the purchase using the credit/debit card PINpad terminal
- Wait until balance is displayed

4. Remove laundry card from card holder

STEP 2

Add Money to Laundry Card

(or reload funds)

1. Place your laundry card into the card holder on the kiosk
2. **Reload Value**

- Press the **Value** button until your desired purchase amount is reached
- Press the **Enter** button to confirm that value, then complete the purchase using the credit/debit card PINpad terminal
- Wait until new balance is displayed

3. Remove laundry card from card holder

STEP 3

Start a Washer/Dryer

1. Place your laundry card onto the machine's card reader
2. You may be required to press the **"Start"** button on the machine

Important:

Hold onto your laundry card to reload and reuse it at this laundromat. If you lose your card, you will need to get a new one.
